

Garden Volunteers

At Tizer Gardens we are always looking for good volunteers to help keep our gardens ready for visitors that come from all over the world. We prefer our volunteers to have gardening experience, master gardeners are always welcome to fulfil their volunteer hours, but it is not mandatory for you to have horticulture experience.

If you are interested in volunteering to garden, please fill out the form below and send it to us at info@tizergardens.com.

Garden volunteers are required to bring their own gloves and hand tools and kneeling pads etc, water and lunch, unless it is a major "Volunteer" scheduled day – which we would then supply you with a light lunch. We are happy to supply larger tools and buckets for your use.

Our garden hours are 10:00 am to 6:00 pm daily. However, volunteers are not expected to work the full 8 hours. We would appreciate it if you could put in at least a 4 hour shift. We like to assign volunteers to take charge of a specific garden, so they become familiar with the plant material and can help in the design and maintenance of that particular garden. That then requires a commitment to be in the gardens for specific hours on a regular basis. Garden volunteers are always supervised by a Tizer Staff person.

After volunteering for a minimum of 10 hours we will supply you with a bright colored t-shirt which will indicate that you are a volunteer.

Please tell us about yourself:

Name: _____

Address: _____

Daytime phone: _____ Evening Phone: _____

Email address: _____

Emergency Contact: _____

Health Issues we should be aware of? _____

Thank you so much for considering Tizer Gardens as a place to spend your precious time. We appreciate the opportunity to speak with you!
