

2025 PRESEASON BAREROOT SALE

SALE ENDS **APRIL 25th, 2025**

At last, our Pre-season sale has arrived for your shopping pleasure! Attached you will find a list of Bareroot and potted trees and shrubs. These are all marked down significantly. This is a terrific, economical way to buy your trees and shrubs.

Unfortunately, we are not able to get some of our regular staples bareroot this year, such as Cotoneaster or caragana.

Generally, the plants arrive the last week of April, but we will call you when they are ready to be picked up. Because many are bareroot, they must be picked up right away as we cannot keep them for long without soil. We ask for a 50% deposit and the rest is payable upon receipt. So here is how to place your orders.

1) Decide what you would like.

2) Send us an email or call with your order.

3) We will send you an invoice, with the amount of the whole order.

4) You call with a Credit card number or mail a check for ½ of the balance. The rest is due upon pickup the end of April.

Thank you so much for your continued support! We are excited to be moving forward into a new season!
